Company Profile

ABOUT US

Providing innovative fencing solutions in highly competitive markets

Since its inception in 1998, ALTON® has been widely recognized as one of the most reputable brands in the Construction industry across markets in the Middle East, United Kingdom, Kingdom of Saudi Arabia and China. Backed by a substantial experience in delivering innovative solutions, ALTON Fencing & Steel Trading LLC was established under ALTON's Contracting division to provide high-quality fencing products for a diverse range of environments and businesses. Our strong reputation over the years has been built on long-term partnerships with our major customers in government, commercial, residential, real estate and industrial sectors to protect their people, assets and borders.

At ALTON®, we define ourselves as a symbol of innovation and distinction in service and quality. From its early days up to this time, our strategies remain the same in providing the highest level of satisfaction and tailored solutions among our customers, resulting in successfully expanding our customer base and brand presence in competitive markets.

The product range includes

- › GI / Aluminum Panel
- › GI Continuous Fence
- › Welded Mesh
- › RTA / Deco Fence
- › Chain Link Mesh fence
- › Security Fence
- › PVC – Eco Hoarding
- › Fence Branding
- › Anti Climb Fence
- › Heras Fence
- › Cast Iron Fence
- › Aluminum Fence
- › Mesh Fence Metal/Police
- › Palisade Fence
- › Car Park Shed
- › Gabion Fence
- › Construction Signage
- › 3D Signages
- › Security Porta Cabins
- › PCC / RCC Blocks
- › Steel Gate
- › Post / Gate Barrier

Due to its commitment towards excellence and compliance, ALTON® owns in-house manufacturing facilities where each and every stage of our processes is stringently monitored by a highly functional team of industry experts in accordance with ISO 9001:2015 standards. As an ICV Certified company, we consistently consolidate our strengths in successfully leading innovation and producing bespoke solutions that match customer's needs. All of ALTON's products and services conform with local and international standards which are manufactured as per the required design and specifications. This resulted in a portfolio of high-profile clients creating an immense share of recommendation and repeat businesses.

Over the years, ALTON® continues to uncover strategic business opportunities globally with a goal to improve its brand recognition in the Construction industry and penetrate new markets. Carrying out extensive market research and competitive analysis have always been the central part of our success today. We always prepare ourselves to become capable of meeting the ever-changing demands of our customers. As a result of its endeavor to gain a competitive advantage in an international market, ALTON® has expanded its presence in UK markets by offering our expertise and tailor-made solutions, while investing in and maximizing the untapped potential.

Our Mission

The mission of ALTON® is to take the lead in providing innovative fencing solutions in highly competitive markets across the globe using our core values, customer-centric service, cutting-edge technologies and vast experience in the Construction industry.

Our Vision

At ALTON®, our aim is to uphold our strong reputation in the market as the pioneer of innovation and leading provider of high-quality fencing solutions globally distinguished by our commitment, reliability, excellence and active leadership.

HISTORY OF ALTON

ALTON® has grown from strength to strength from its humble beginnings in 1998 which became a successful business that continues to meet the ever-changing needs of major customers through exceptional service and a complete range of fencing solutions.

Initially launched as Giant Building Maintenance Co. in Dubai with a total number of 15 employees

COMPANY'S STRENGTHS

ALTON® continuously seeks to expand its operations across the globe

With a track record of success in strengthening the overall financial capacity of the business.

Our competitive advantage, stable income and market leadership indicated that our company is in a better financial position to commit capital for sustainable business growth and expansion. The total paid-up capital of the company is approximately AED 17 Million which consists of the following:

	Amount (in AED)
 Assets	5,500,000.00
 Vehicles	3,500,000.00
 Machineries	6,000,000.00
 Equipments	3,200,000.00
 Stock Materials	27,000,000.00
Total AED	45,200,000.00

Value in Words Forty Five Million Two Hundred Thousand

Throughout our rich and progressive experiences, ALTON® strategically focuses on its consistent growth in terms of sales as it is the ultimate source of revenue generation for the company to thrive in a highly competitive market. We have mastered the art of uncovering new business opportunities by conducting in-depth market research, establishing strategic partnerships with key clients, analyzing market size, understanding the level of demands, and assessing the company's capacity to meet the gap. Over the last five (5) years, our annual sales reports had evidently recorded a steady growth in performance from 2019 to 2023.

Annual Sales Report

Year	Amount (in AED)
2019	20,000,000.00
2020	24,000,000.00
2021	26,000,000.00
2022	36,000,000.00
2023	44,000,000.00

OUR PRODUCTS

GI Fence

ALTON's Panel fence with Corrugated Sheets is widely used for construction projects as temporary site hoarding.

Welded Mesh

ALTON is acknowledged as the market leader in the manufacture, processing, fabrication and distribution of welded mesh in the country.

PVC Eco Fence

ALTON's PVC Eco Fence is an eco-friendly and durable fence which is also a fully recyclable solution that is visually appealing and ideal for branding purposes.

Continuous Fence

ALTON's continuous fencing is not only rugged and well-built, but also an attractive, eye-pleasing addition to your properties or assets.

Police Barrier / Metal Barrier

Avail high-quality police barriers at ALTON that are much stronger and more durable forms of crowd control barrier, commonly used in the crowded environments.

RTA Deco Fence

If you are looking for a premium quality, RTA Deco in very competitive rates, ALTON is the right choice to approach as it is one of the most sought-after suppliers of RTA Deco in the UAE.

OUR PRODUCTS

Construction Signage

Over the years, we have already produced successful bespoke signboards with care and attention for diverse companies and sectors throughout the UAE.

Heras Fence

Used frequently in the construction and event industries. Its temporary nature and ease of mobility are the unique features of Heras Fence.

Anti Climb Fence

Alton's Anti Climb Fence is distinctively designed to keep your premises safe and secured. It comes in wide range of styles that match your needs and can provide a high security perimeter solution in a wide range of applications.

Blocks

Our blocks are perfect for applications where a durable, lower-weight and high strength wall is required, such as commercial and industrial buildings, storage bunkers, retaining walls and many more.

OUR PRODUCTS

Chain Link Fence

Lightweight, cost-effective and solid, our chain link fence has the perfect balance of security and aesthetics. This is mostly used in playgrounds or sport courts, where welcoming people inside is just as important as keeping trespassers outside.

Gates

ALTON is recognized as one of the most trusted manufacturers and suppliers of premium quality, stunning and durable gates. We have a wide range of gate styles and sizes crafted from different types of materials to suit your needs.

Gabion Box

We have gabions that are completely filled with natural materials, suitable for every garden and fit well with all architectural styles.

Cast Iron Fence

ALTON has a highly functional team of experts to design and install all types of ironwork. We have also partnered with a number of companies and public entities to provide custom-made and high-quality ironwork to our customers.

Security Fence

ALTON specialized in supplying and installing Security Fencing for bespoke site requirements or residential environments which offers a high level of property security.

Palisade Fence

Our Palisade fence provides the ultimate in security - easy to assemble, robust, long lasting and a formidable deterrent against crime and vandalism.

Porta Cabin

We are providing strong, competitively priced and customized cabins backed by our rich industry experience that can fit well with your style, requirements, and budget.

Fence Branding

Supplying fence and branding on any existing or new fence is one of our special services. We have our in-house printing and installation facility and a competent team to do branding on the fence.
